

Second Annual Middle Georgia Raceway Driver & Fan Reunion

The Georgia Chapter of the NVRA hosted the second annual Middle Georgia Raceway Driver & Fan Reunion in Macon, GA on Saturday November 4th. Fans and former drivers gathered to share their memories of one of the finest ½ mile asphalt tracks NASCAR ever sanctioned. Among the drivers who attended were Rex White (1960 NASCAR points champion), James Hylton (1966 NASCAR Rookie of the Year and one of the most successful independent drivers in NASCAR history), “Bullet” Bob Burcham who won many late model sportsman races at MGR along with several past track champions from MGR and a host of local drivers who made regular appearances at the track.

In addition to a delicious barbeque lunch the crowd was treated to a car show and display of over fifteen vintage stock cars. Several thousand dollars was raised for local children’s charities through an auction of racing memorabilia that included items autographed by 7-time NASCAR champion Richard Petty, Bobby Allison and David Pearson plus many other great collectables.

Everyone who was there had a great time and the GA Chapter of the National Vintage Racing Association vows to make next year’s MGR reunion event better.
