

**MARCH 20th LAVONIA SPEEDWAY FIRST RACE OF 2010**

“NIGHT OF LEGENDS” will be season opener at Lavonia and the NVRA is the headline event along with the attendance of Lavonia’s past track champions. Lets make opening day 2010 a big event for both the NVRA and Lavonia Speedway. The Vintage Thunder Racing Series will be making its first appearance at Lavonia in many years so we want to make a good impression.

Following a classic car show from noon to 4 PM the track will open its pit gates at 4 PM and we would like to have all NVRA cars in the pits and ready for annual safety inspection by 4:30 PM. Technical Director Woody Callaway will have his safety committee members on hand to make sure all cars meet NVRA safety requirements and that includes driver requirements for helmets, driver uniforms, gloves and shoes.

Our drivers meeting will take place at 6 PM and hot laps and racing will get underway at 7 PM.

**Solo II Receivers to be distributed at Lavonia Speedway**

The NVRA has ordered 35 Solo II receivers for use in all 2010 NVRA races. A special arrangement between Racing Electronics and the NVRA will allow NVRA vintage race car owners to purchase one Solo II receiver and ear piece combo for each car they own for just \$22.50.

Included with this newsletter is the order form for the Solo II receivers. If you have not already mailed in your order and you are attending the Lavonia race please fill out the attached order form and bring it with you to the track. If you are not going to be at Lavonia, fill out the form and mail it into the NVRA. The receivers are available on a first come basis.

**Receive Your NVRA Newsletter by Email**

In an effort to cut costs the NVRA has begun to distribute our newsletter via email to all members who have an email address. Please make sure we have your email address when you sign in at the races.

**NEXT NVRA RACE IS AT WATERMELON CAPITAL SPEEDWAY ON APRIL 17.**

**CHECK THE NVRA WEBSITE FOR UPDATES!**
